

CV of Wolfgang Kroutil, Born in Austria

Education

- 1995 - 1998 PhD (Organic Chemistry – Biocatalysis) 'Bacterial Epoxide Hydrolases, Sulfatases and Alcohol Oxidases: Preparation of Enantiopure Epoxides and Alcohols and their Application in Organic Syntheses'. Graz University of Technology and University of Exeter, UK.
- 1991 - 1995 Diploma studies (Technical Chemistry), Graz University of Technology

Positions

- 2013 - Full Professor at the Institute of Chemistry, the University of Graz
- 2012 - Director of the Doctoral School 'Chemistry', University of Graz
- 2004 - 2013 Ao. University Professor, Institute of Chemistry, University of Graz
- 2003 Habilitation in Organic Chemistry
- 2000 - 2003 University Assistant, Institute of Chemistry, University of Graz
- 1999 - 2000 R&D Manager at Krems Chemie Chemical Services GmbH
- 1998 - 1999 Postdoctoral fellow at Novartis Crop Protection in Basel, Switzerland on combinatorial biocatalysis

Awards

- 2012 Biocat award 2012, obtained at the 6th International Congress of Biocatalysis
- 2012 John van Geuns lecturer at the University of Amsterdam, The Netherlands
- 2009 'Distinguished scientist' awarded by the University of York/UK
- 2003 Science Award of the Austrian Chemical Society

Appointments

- 2013 - Editorial Board ChemCatChem (Wiley)
- 2002 - Editorial Board Journal of Molecular Catalysis B. Enzymatic (Elsevier)
