

Externally funded national and international projects (since 01.01.2008)

Project Title	Project Number or Funding Period	Funding Org.
C-C bond formation	2006-2009	FFG, K+ Program
Screening for novel enzymes	2006-2009	FFG, K+ Program
Deracemisation of sec-alcohols by bio-stereoinversion	P18537 (2006-2009)	FWF
RevCat – Revolutionary Catalysts	MRTN-CT-2006-038566, (2006-2011)	EU
Novel methods for C-C bond formation	P20903 (2008-2010)	FWF
Biooxidations- und Aminierungstechnologie als Plattform für funktionelle Amine als Monomerbausteine	2009-2012	BMBF, Germany
Biocatalytic C-C bond formation employing the enzyme BBE	P22115 (2010-2011)	FWF
BioTrains – A European Biotechnology Training network for the support of chemical manufacturing	238531 (2009-2013)	EU
AmBioCas – Amine Synthesis through biocatalytic cascades	245144 (2010-2013)	EU
Biocatalytic modification of APIs	2011-2014	FFG, Comet-Program, within K2-centre ACIB
KyroBio - Biocatalysis for chiral compounds	289646 (2011-2015)	EU
Biocascade—Biocatalytic cascades to access valuable building blocks	29803 (2013-2015)	EU
Biocatalytic reactions with the berberine bridge enzyme	2013-2015	Swedish research council
