

Externally funded national and international projects (since 01.01.2008)

Project Title	Project Number or Funding Period	Funding Org.
SFB LIPOTOX: Lipases and the control of energy balance, insulin resistance, and lipotoxicity; and additional funding by City of Graz and County of Styria	F3002 (2007-2014)	FWF, City of Graz and Country of Styria
SFB LIPOTOX: Lipases and the control of energy balance, insulin resistance and lipotoxicity	F3002 (2007- ongoing)	FWF
The cross talk between lipolysis and adipokines	TOBI (2008-2010)	EU
Targeting Obesity-driven Inflammation	TOBI 2008-2011	EU
Wittgenstein Award	Z136 (2008-2014)	FWF
Genomics Of Lipid-associated Disorders (GOLD): Identification and functional characterization of lipid hydrolases	2009-2012	GEN-AU, FFG
Identification and functional characterization of lipid hydrolases	GEN-AU GOLD III (2009 - 2012)	BM:BWK
Lipid droplets as dynamic organelles of fat deposition and release: translational research towards human disease	LipidomicNet (2008 - 2012)	EU
Transatlantic Network on Triglycerides— Triglyceride Metabolism in Obesity and Cardiovascular Disease	2013-2017	Leducq Foundation
